

# LANDMARK

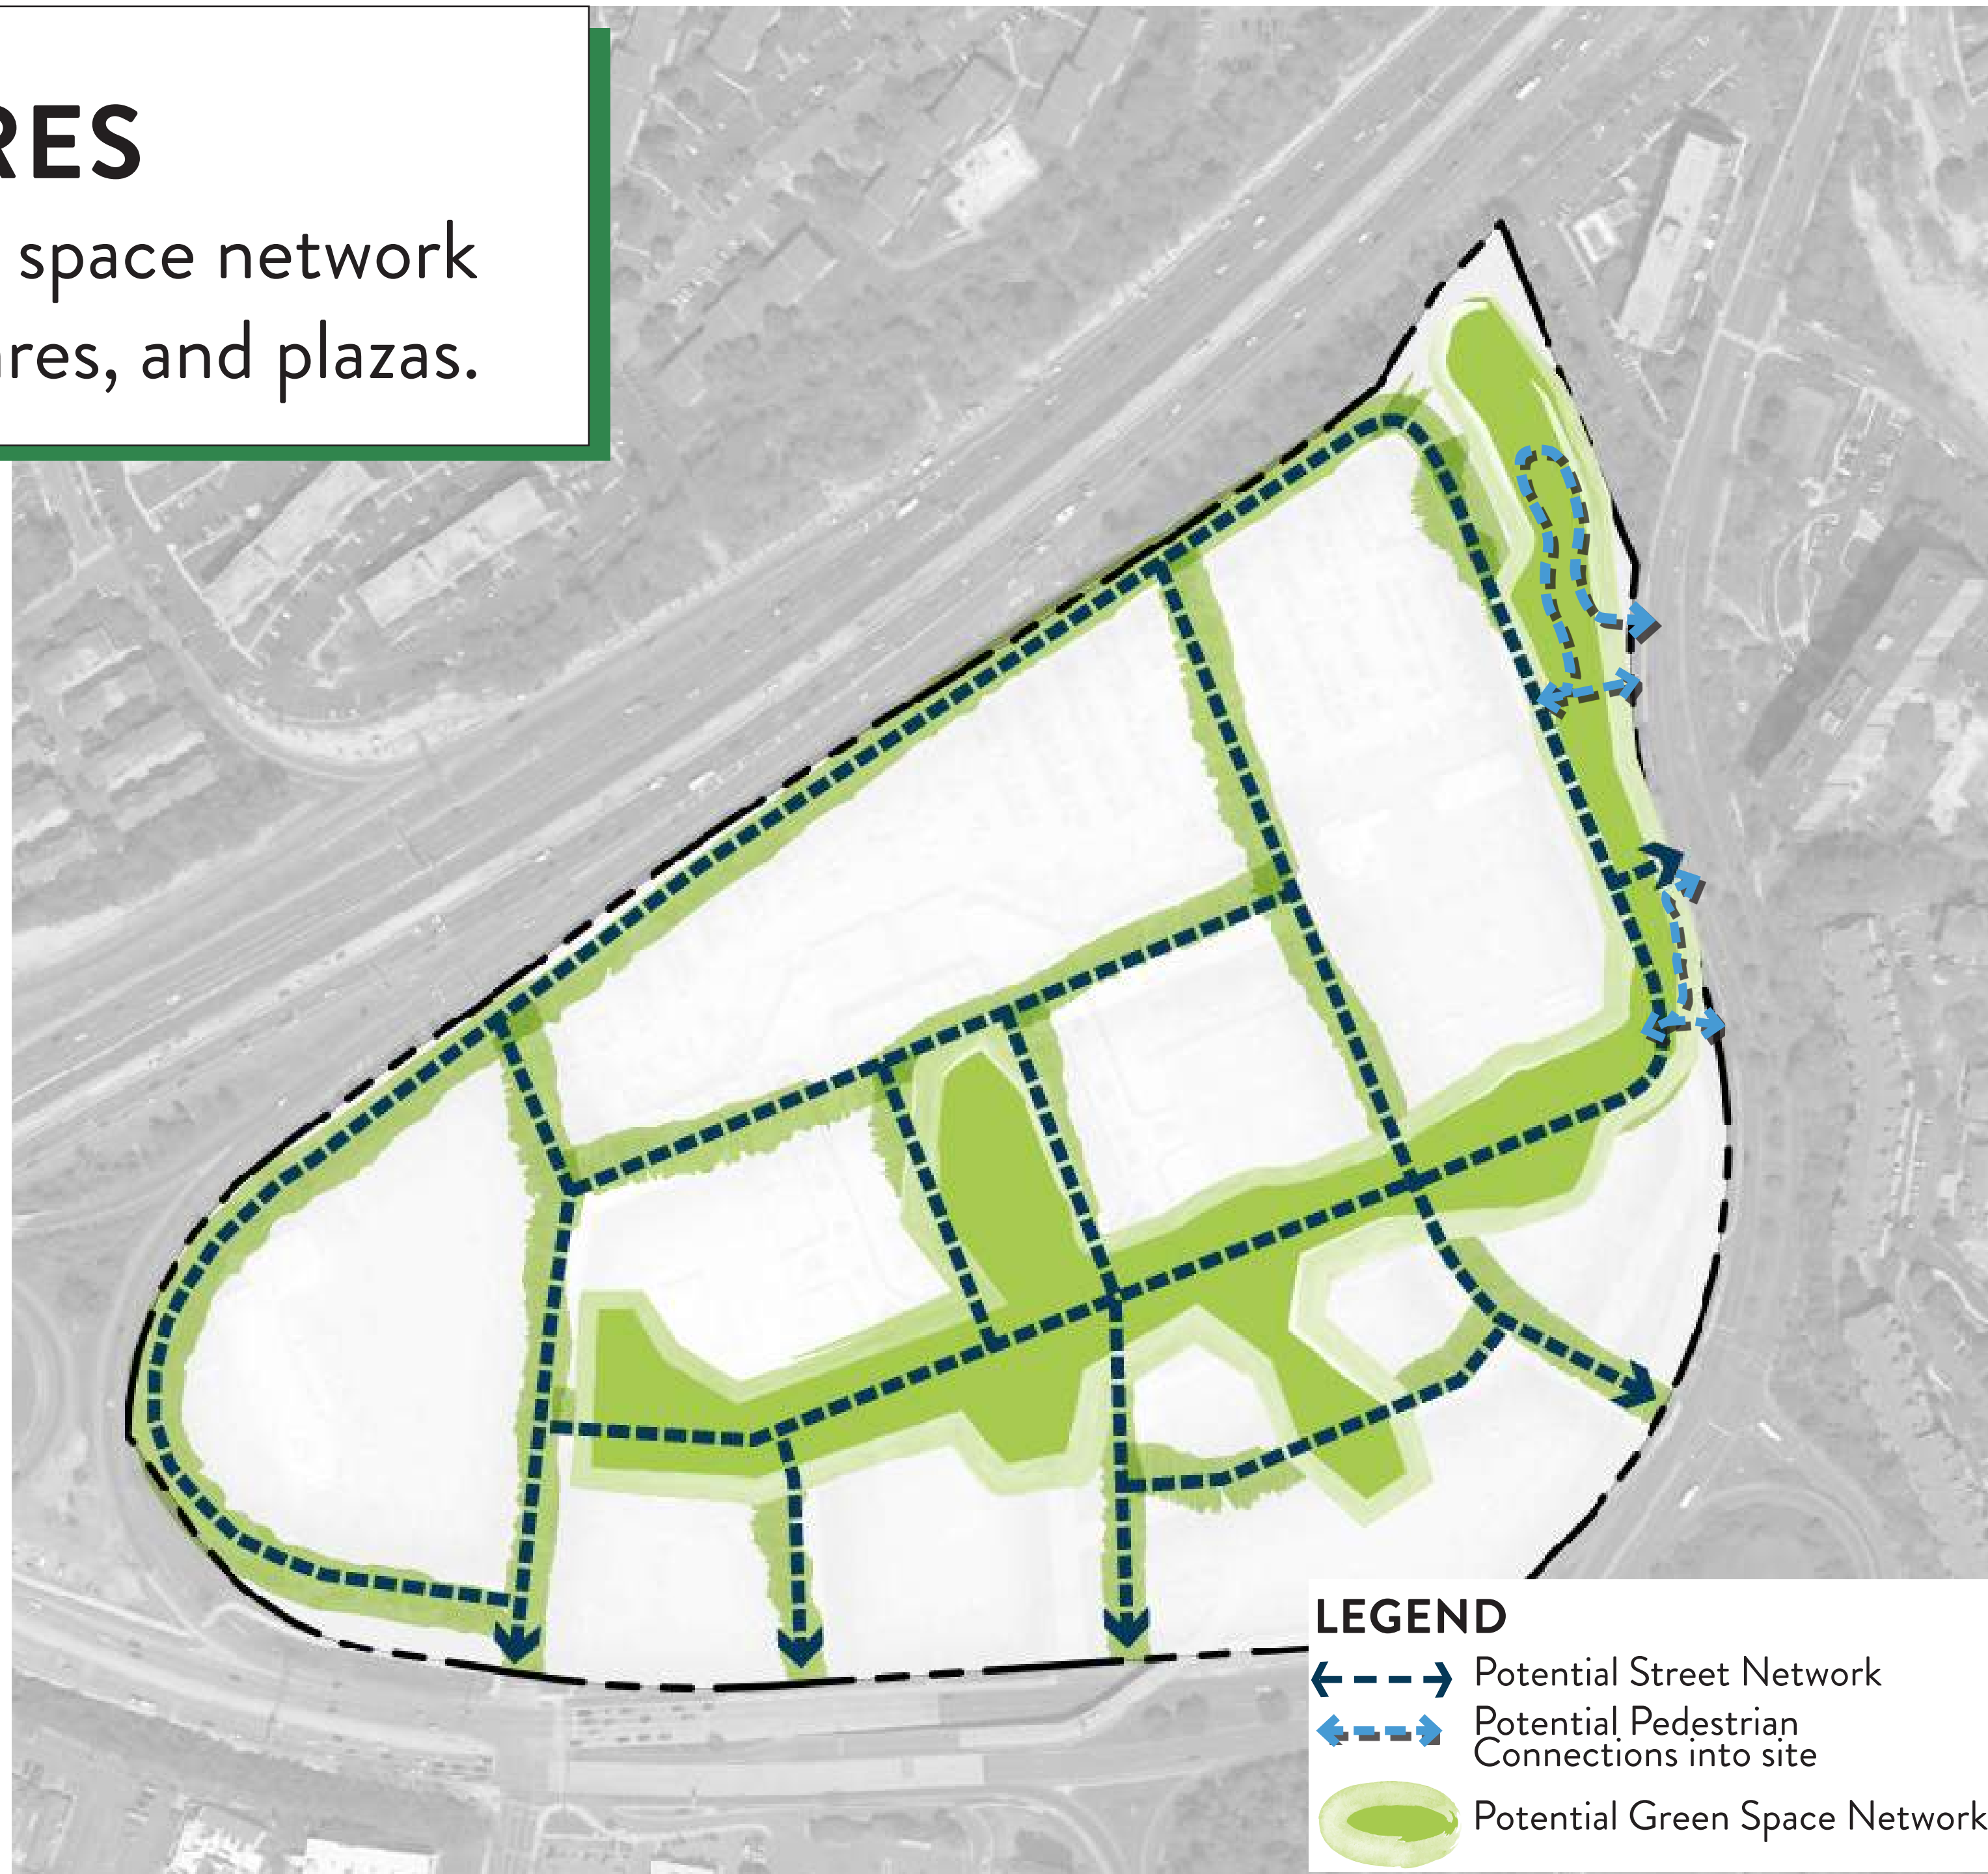

## OPEN SPACE

**3.5 ACRES**

of public access open space network  
to include parks, squares, and plazas.

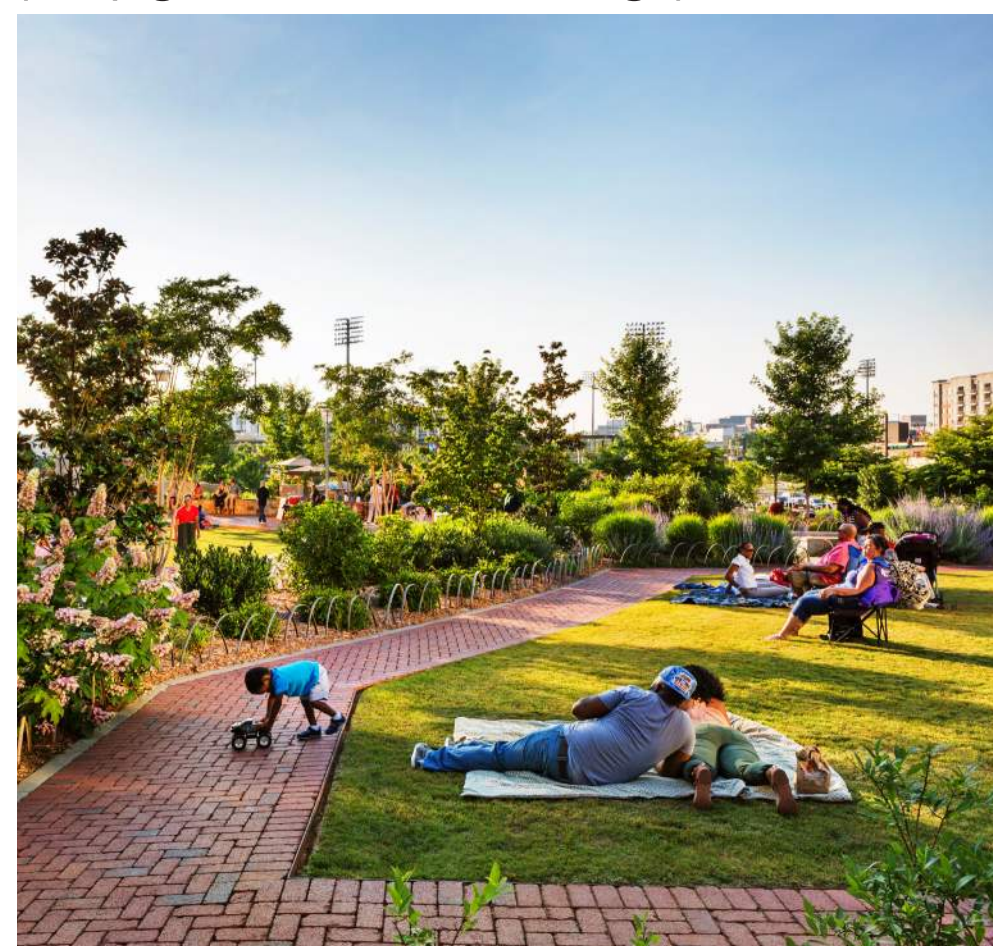

### CENTRAL PLAZA

Create a central space with the  
potential for farmers markets and  
community gatherings

### NEIGHBORHOOD PARKS

Neighborhood gathering hubs with the potential to include  
playgrounds and dog parks

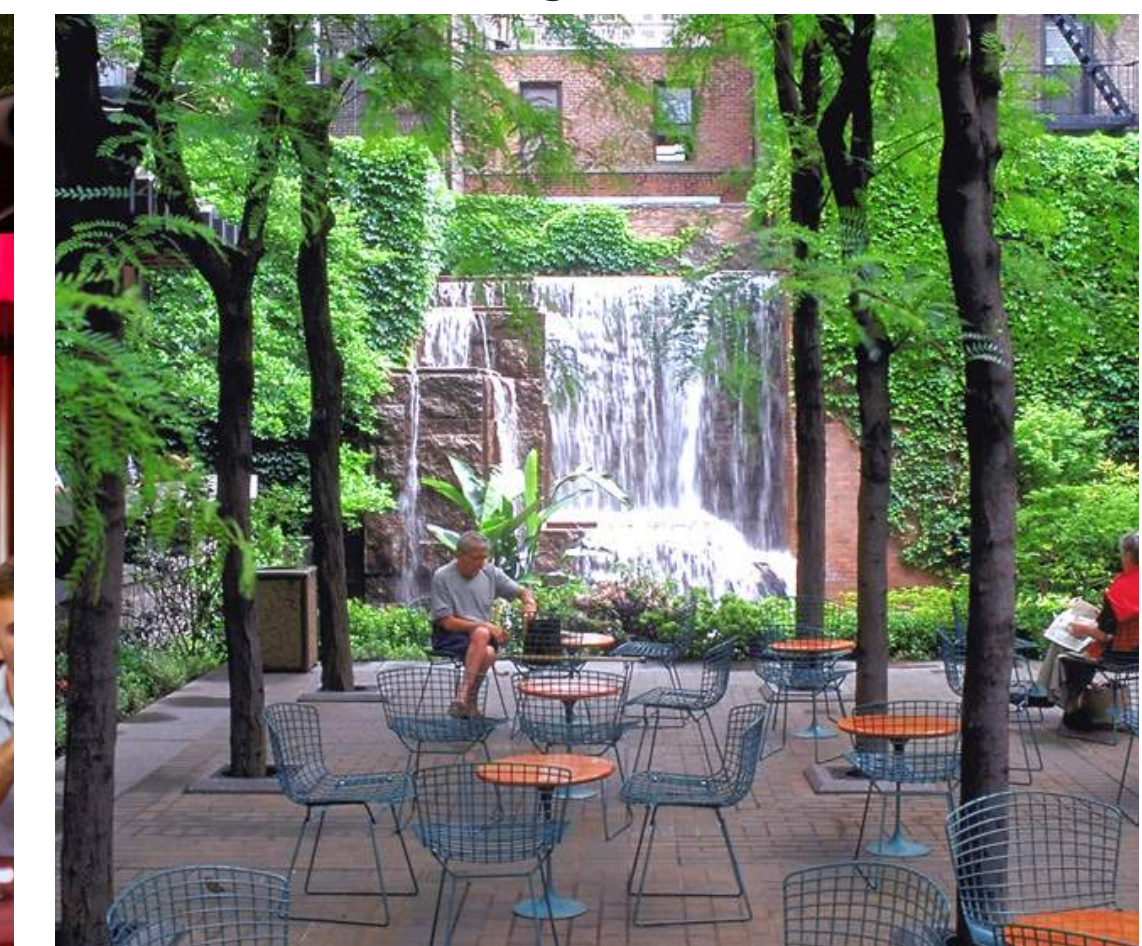

### TERRACE PARK

Utilize existing topography on  
site to create connections back  
into the community

### POCKET PARKS

Provide intimate, urban nooks sprinkled across site with the potential to  
include seating and focal features
